

BIRCHMEIER®

Robust power unit: Florajet the powerful long distance sprayer

Bushes, small trees, roses or trellis: Wherever plants have to be sprayed, the Florajet is the ideal solution. The powerful piston pump delivers a high volume with a fine troplet spray. A distance up to 3 m can be reached. The result is: Excellent surface coverage and good penetration even through thick foliage. Quick to use, easily cleaned. A perfect complement to hand sprayers or larger compression sprayers or backpack sprayers.

Ideal for small bushes, trees, roses, trellis

Far reaching high volume spray mist

Adjustable nozzle available (reach up to 5 m)

Quick to use, easily cleaned

Piston pump: **20 bar**
Pressure up to **20 bar**
